

Gateway Christian School

~ Excellence Without Compromise ~
~ Christ the Foundation ~

STUDENT-PARENT HANDBOOK Elementary Revised February 2021

The Vision of Gateway Christian School is:

- To teach and train students in a well-disciplined environment where they can grow spiritually as well as academically
- A Christ-centered school that emphasizes character-building qualities and follows Biblical principles
- A place of excellence that honors God and helps students see the world through His eyes

Mission Statement

The mission of Gateway Christian School is for each student to develop a personal relationship with Jesus Christ and to grow in Christian maturity. Our desire is to help meet the spiritual, academic, physical and social needs of all students and to lead each student to respect and submit to authority, thus enabling them to become the leaders of tomorrow and bring glory to God.

In order to accomplish this in an educational institution, we must recognize God as the ultimate source and final authority of all teaching. We must provide a Christian education for the children of Roswell and the surrounding area without regard to race or religious creed.

Our aim is to provide an education:

- That is in agreement with the Bible and stresses its practicality for every part of daily life
- That possesses high academic standards in a traditional classroom setting, and instills in the student a personal responsibility to be all God wants him/ her to be
- That will promote a love for God and this nation and prepare the student to live productively in the American society and the hereafter
- That assists the family in carrying out their “God given responsibility” to train up their child in the way they should go

Administrative Authority

Gateway Christian School is a ministry of Gateway Church International and falls underneath the elder board which govern all aspects of Gateway Church.

Accreditation

Gateway Christian School is accredited by the Association of Christian Schools International and by the State of New Mexico for K-5 through 12th grade.

Educational Philosophy

The predominant curriculum used at GCS is A BEKA and Bob Jones. These are excellent curriculums emphasizing “traditional” education, high academic standards, phonetic reading and integration of Biblical principles. They are designed for the “traditional” or self-contained classroom.

There are several distinctive factors that set GCS apart from public schools, as well as many other private schools:

1. Teachers are willing and quick to pray with students and parents.
2. The administration maintains daily morning devotions for the staff.
3. Teachers have been hired who have a Christian philosophy of education and consider teaching a ministry and a divine calling.
4. Teachers, as well as the curriculum, integrate the Word of God into every subject.
5. School programs and activities are evaluated in the light of scriptural principles and are implemented with the clear purpose of developing our uniquely Christian goals.
6. Athletic programs are monitored to maintain a standard for building sportsmanship and character.
7. Teachers, staff and administrators demonstrate a Godly lifestyle and are professional educators qualified for their positions.
8. Discipline is based on Biblical principles.

Nondiscriminatory Policy

Gateway Christian School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally made available to students at the school.

Gateway Christian School does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational policies, admission policies, scholarship programs, and other school-administered programs.

We are all children of one God, Who created and loves us all. We follow His command to love one another.

Statement of Faith

We believe the Bible to be the inspired, the only infallible, authoritative Word of God. Exodus 20:1; II Timothy 3:16; II Peter 1:20-21; I Cor. 2:10-13; Luke 24:27, 44-45; Revelation 22:18-19

We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. Psalm 2:6-9, Matthew 28:19-20; II Cor. 13:114; I Cor. 12:4-6; Matthew 3:16-17; John 14:16

We believe in the Deity of our Lord Jesus Christ. John 1:1-5, 14, 34; John 5:1-47; John 6:69; Matthew 1:20-23; Luke 1:31-33; Romans 1:3-4; Eph 1:20-23; Phil. 2:9-11; Col. 1:13-19; Isaiah 9:6-7

We believe in His virgin birth. Isaiah 7:14; Matt 1:23

We believe in His sinless life. Hebrews 1:9; Heb. 7:26

We believe in His bodily resurrection. I Cor. 15:20-23; John 20: 24-27

We believe in His ascension to the right hand of the Father. Luke 24:51; Acts 1:9-11; Eph 1:20-21; Heb. 12:2

We believe in His personal return in power and glory. John 14:1-7; I Thess. 1:7-10; Matthew 25:31; I John 3:2; Acts 1:11; Rev. 17; Rev. 19-11-16; Rev. 20:6; Daniel 7

We believe that for the salvation of the lost and sinful man, regeneration by the Holy Spirit is absolutely necessary. John 3:5, 14-17; John 5:24; II Cor. 5:17; Romans 6:23; Eph 2:8-9

We believe in the present ministry of the Holy Spirit, by Whose indwelling the Christian is enabled to live a Godly life. John 16:7-15; I Cor. 6:19-20; Gal. 5:16-18; Eph. 1:13-115; Eph. 4:30; I Cor. 12:13

We believe in the resurrection of both the saved and the lost; and those that are saved unto the resurrection of life, and those that are lost unto the resurrection of damnation. Job 19:25-27; Daniel 12:2; I Cor. 6:14; John 5:29; John 11:25; Romans 6:5; I Peter 1:3; Rev. 20:4-6

We believe in the spiritual unity of all believers in the Lord Jesus Christ. Eph. 2:19-22; Eph. 4:3-6; 11-13, 15, 16

We believe in the assurance of eternal salvation and security of all who have been born again by faith in Jesus Christ as their personal Savior. John 10:27-28; Eph. 4:30; Romans 8:35-39; Phil. 1:6; II Tim. 1:12; Eph. 1:13-14; II Timothy 4:8; I Peter 1:3-5; Hebrews 7:25; I John 5:13

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.)

Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term “marriage” has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. (Ps 139.)

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Gateway Christian’s faith, doctrine, practice, policy, and discipline, our Elder Board is the final interpretive authority on the bible’s meaning and application.

Admissions

Gateway Christian School is a faith-based institution providing an education in a distinct Christian environment, and it believes that its Biblical role is to work in conjunction with the home to mold students to be Christ-like. On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the Biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes but is not necessarily limited to, living in, condoning, or supporting sexual immorality; practicing homosexual lifestyle or alternative gender identity; promoting such practices; or otherwise having the inability to support the moral principles of the school.

Admission into Gateway Christian School is a privilege. Parents wishing to obtain information about the school and its programs or wishing to enroll their children in the school should contact the central office. It is necessary for these matters to be taken care of as soon as possible in order for class space to be assured. If a student has been suspended or expelled for any reason from another school, he/she may not be admitted into GCS. The following admission requirements must all be met before a student will be admitted or readmitted to Gateway Christian School.

New Enrollment

Age Requirement

K-5 Kindergarten - must be 5 by October 1

Registration packet

Registration packets are available at the front office or on the website.
Placement exam will be scheduled when a packet is picked up.

Placement exam

All new applicants (grades 1-6) must take a placement exam. This math and reading exam takes approximately two hours. The testing fee of \$25 and the registration packet is due on the test date. The administrative staff will consider the test results and past academic performance to determine grade placement for all new students.

Interview

Before acceptance into grades 1–6, an interview between the parents and the Acceptance Committee will be conducted. Parents must bring the student's report card or school record of progress from the student's previous school. Placement test results are reviewed. Parents will be notified of the committee's decision as soon as possible.

Enrollment Packet

After the student has been accepted, the school will email information to complete the enrollment process online. The online enrollment fee is \$25 per student and is payable online. The student will not be allowed to start school until the online enrollment process is complete.

Immunizations

All students must submit verification of state-required immunizations before the first day of school (State Law).

Registration and Book Fees

The entire registration process must be completed along with forms submitted before the "Early Bird" fee can be applied. The book fees are due in full by July.

Re-Enrollment

Re-enrollment begins in early Spring. Enrollment is offered to families in school first. This includes siblings that are not currently enrolled. Registration is opened to the public two weeks after enrollment begins. Registration fees are required to hold spot.

Finances

Financial Policy

Tuition is due on the first of each month and late after the tenth of each month. If payment is not received by the end of the month, a student may not be allowed to return to school until the account is paid. ***NO BILLING STATEMENTS WILL BE SENT*** - it is the parent's responsibility to send payment.

Fees and enrollments, absences, etc.

Since Gateway Christian School has an obligation to its employees, students are considered enrolled for the entire school year. Tuition is calculated on the basis of the entire year; therefore, no reductions can be made for vacations or school holidays. If a student leaves the school for any reason or enters after the school year has begun, then charges are pro-rated according to actual number of days enrolled. No deductions will be made on tuition for absence during the school year regardless of the cause of such absence. If there is withdrawal after the first of the month, the parent will be responsible for the entire month's tuition. The scholastic records will not be transferred until the exit interview process is completed, the necessary forms are signed and all outstanding fees are paid.

Report Cards

All accounts must be paid in full before the yearly report cards will be issued.

Financial Aid Policy/Guidelines

Providing capable student's access to Gateway Christian School, regardless of financial means, is a priority for us. We offer need-based financial aid and flexible payment plans to make the investment in our school manageable.

Need for financial aid is assessed by Gateway School using Confidential Financial Services (CFS) and is awarded on a yearly basis. Families must reapply for aid, using CFS each year.

Statement Of Purpose

The purpose of Gateway Christian School's need-based financial aid program is to support the mission of the school and our commitment to being diverse and inclusive community providing a superior education to qualified students who could not otherwise afford to attend

Financial Aid Policy

Financial aid decisions are determined by the Gateway Christian School Financial Aid committee through an analysis of each family's financial situation, through a report sent to the school from CFS.

Gateway School believes the family bears the primary responsibility for funding their child's education and will not fund 100% of the cost of tuition. Financial aid is limited each year, so a family only receives a percentage amount of their year's tuition dependent on the amount of families in need and aid available. If the gap between the parent's stated ability to pay and the School's available financial aid is deemed too significant, the School may not grant an award.

Gateway does not discriminate in the administration of its financial aid policies due to race, religion, national or ethnic origin, gender or age.

Financial aid will not be calculated or granted to those students with outstanding balances of tuition and or fees.

Gateway reserves the right to withdraw financial aid at any time if discrepancies in financial information provided are found.

How to Apply for Financial Aid

Gateway uses Confidential Financial Services (CFS) for the evaluation of financial data. Requesting families must adhere to all deadlines and policies of the school and CFS and must reapply each year. Students must apply for admission and be accepted before a financial aid award can be offered. Financial aid awards can only be finalized after enrollment is accepted and a financial aid grant is offered.

Progress Reports

Emails are sent weekly. Parents will be notified by email if a grade is below a 70 or student is missing work. Mid nine-week reports are sent home for 1st–6th grades. The reports are distributed to students in class. Careful attention should be given to grades and comments noted by the teachers in order to improve the student's scholastic progress. Special announcements and dates to remember are also included. A signed note of receipt is to be detached and returned to school the next day.

Quarter Grades

Quarter grades are an evaluation of the student's progress for an entire nine-week period. These grades are recorded on the student's report card.

Yearly Grades

Yearly grades are an evaluation of the student's work for an entire year. These grades are recorded on the transcript and become part of the student's permanent record.

Standardized Testing

National standardized tests are given each spring semester to check student progress from year to year. Test results are provided to parents and also placed in each student's permanent file.

SeeSaw

Seesaw for Schools is a digital app-based platform that allows students, teachers, and parents or guardians to complete and share classroom work. K4-2nd grade teachers utilize SeeSaw. Parents will receive a QR code from their child's teacher.

G Suite for Education

G Suite for Education includes apps such as Gmail, Google Docs, Slides, Sheets, Forms, Drive, Google Classroom and more. It helps your child communicate and collaborate at school or home on any device, all within a secure environment. Each 3rd grade-12th grade student is issued a school email that enables them access. Your child's email is found in ParentsWeb under "Family". Use the drop down box to select your child.

Homework

Assignments and homework are an essential part of a good school program. They will vary from light assignments for the lower elementary grades to longer assignments for upper grades. The amount of homework a student has to do at home may depend upon how efficiently the student uses his/her time in school.

Reasons for Homework

For practice - Following classroom explanation, illustration and drill on new work, homework is given so that the material will be mastered.

For remedial activity - As instruction progresses, various difficulties become evident in a student's grasp of a subject; homework following instruction is given to overcome such difficulties.

For special projects - Book reports, compositions, special research assignments, and projects are some of the activities that are frequently assigned as homework.

Late Assignment Policy

4th-6thgrades: All daily assignments must be turned in by 3 pm the day it is due. Any late or missing assignments will be an automatic zero. The only exception would be for illness. The student would then have the same number of days to get the work in that they missed. Teachers may adjust their policy slightly to allow for additional opportunities.

Amount of Time

For the average student the normal homework assignments in grades 1-2 should take 15-30 minutes to complete; for grades 3-6 it should take 30-60 minutes. The amount of homework may vary depending on the amount of work the student does in class. **NO HOMEWORK WILL BE ASSIGNED ON WEDNESDAYS, AS WE WANT TO ENCOURAGE OUR STUDENTS TO SUPPORT THEIR CHURCH AND ATTEND WEDNESDAY NIGHT SERVICES.** In addition, because we realize how important family is, Friday homework will be limited (to allow the student to spend quality time with his/her family).

Parent Cooperation

We do request the parents' full cooperation in seeing that the assignments are completed. Because homework is part of preparation for the future, every student is expected to complete his/her homework. Class work for other subjects must be completed daily. Parents are encouraged to communicate with the teachers when their children are having difficulties with homework, and the teachers will notify parents if a student is not turning in assigned homework.

Parent/Teacher Conferences

Parent/Teacher conferences are scheduled for all students at the end of the 1st and 3rd quarter grading periods. Consult the school calendar for the exact dates. If for any reason parents would like to meet with a teacher or administrator other than at the assigned times, they may phone the school office and make arrangements. We ask that the Matthew 18 principle be used to resolve any conflict. Direct communication with those involved in any conflict will usually resolve the problem

Physical Education

1st – 4th Grades: Students are not required to dress out for P.E., but all students must wear tennis shoes.

5th – 6th Grades: All students must wear a GCS spirit shirt, black athletic shorts purchased at the SCHOOL, or sweat pants, and supportive tennis shoes. Sweat pants must not be tight and cannot have any writing on them. **NO YOGA PANTS OR LEGGINGS.**

Excuses: If a student has a physical challenge that limits or prohibits a particular activity, the school requires a note from the family medical doctor indicating the reason for limitation and the period of time for which the limitation is valid. Parent request for exemption (sore throat, nausea, etc.) can only be honored for two days without a doctor's notice.

Library

1st and 2nd grade have a scheduled library time once a week. 3rd-6th grade may use the library as scheduled by their teacher. Other use of the library is available by appointment. Students who have lost a book will be charged a replacement fee. The student's report card will be held until the book is returned or the replacement fee is paid.

Chapel

Chapel is conducted every Wednesday morning at 9:15 AM for K-3 through 6th grade. The students meet in the church auditorium. Chapel is a well-disciplined setting in which students worship and learn more about God and Biblical truths which will prepare them for the rest of their lives. In addition, various awards, class presentations, and announcements will be given. Parents are invited to attend any chapel service. Occasionally it is necessary to change the day or time to accommodate a special program.

Field Trips

Field trips are planned throughout the school year. Parents are requested to assist in supervision and/or transportation.

1. A **medical form** must be on file and a field trip release must be submitted to the teacher before a child is allowed to go on any field trip.
2. Every volunteer is required to have a **felony misdemeanor form** on file before he/she is allowed to help with any field trips.
3. The school must have on file a copy of both the **driver's license and proof of current car insurance** for any volunteer interested in helping with transportation for field trips. Releases/Permission Slips must be signed by a parent/guardian and turned into the student's teacher for **every** off-campus outing/field trip. If the student does not have a signed release or permission slip on the day of the outing/field trip, he/she will not be allowed to leave campus. In this case, the student will be asked to stay with another teacher until either the class returns from their outing or for the remainder of the school day.

Behavior

Discipline Policy

GCS has designed its discipline system to help maintain order in the classroom and to give a graduated system of consequences to discourage the continuation of any unacceptable behavior.

Discipline

The goal of GCS is not to reform, but to teach and train students in a well-disciplined environment where they can grow spiritually as well as academically. Discipline is necessary for the welfare of each student, as well as for the entire student body in a manner consistent with Biblical principles. Even as the Father disciplines us in love, so the faculty at GCS will endeavor to always discipline in love. Discipline is designed to instruct and train individuals, and to remind them of God's line of authority as revealed in His Word. Discipline will be administered in love, with forgiveness, restoration, and

training as the ultimate goals. GCS faculty may discipline through instruction, exhortation, correction, rebuke, and other disciplinary actions (i.e. detention, suspension).

Parents' Responsibility

Parents will be responsible for counseling their children at home regarding misbehavior at school. They will be expected to exemplify a caring and respectful attitude toward teachers, administration and for other students. All parents are expected to adhere to the Matthew 18 principle to resolve any conflict (see *Grievances*). *Direct communication* with those involved in any conflict will usually resolve most problems.

Students' Responsibility

Students will be responsible for their actions and shall conduct themselves appropriately in keeping with their level of maturity. They will be expected to exemplify a caring and respectful attitude toward fellow students and for persons in authority. At no time shall a student be discourteous to a teacher in speech or in action. Swift administrative action will follow a challenge to or disrespect for authority. Being subject to and giving respect to those in authority is clearly taught in the Word of God. As a member of Gateway Christian School, students should set a good example for others. Students should be a credit to their parents, their school, and to themselves and should be pleasing to the Lord. Students should do unto others what Jesus would have them do.

Teachers' Responsibility

The teachers are given the responsibility for discipline in their classroom. Each teacher will make every effort to counsel the student to resolve any problems that may arise. Whenever possible, the teacher will attempt to work out the problem with the student without administrative involvement. If a teacher deems that the student needs further counseling or disciplinary action, he/she will send the student to the elementary principal.

Elementary Principal's Responsibility

The elementary principal has the authority given him/her by the Superintendent/School Board to administer paddling, assign in-school or off-campus suspension, or to recommend expulsion to the board. Parents will be contacted before any major disciplinary action is taken. *Regarding paddling of students: Parents must sign the "Discipline Release" clause (on the Student Application form in registration packet) giving the elementary principal permission to administer paddling. Because this is a partnership, parents may certainly be present if they wish.*

Guidelines for Acceptable Conduct

The Bible is always and only the ultimate authority on which behaviors are right or wrong; although it does not list every single "do" and "don't" regarding Gateway Christian School, its principles form the basis for all rules and regulations at GCS. While the following guidelines do not aim to be complete; they do call attention to some of the items that should be considered and obeyed by the students in their daily behavior:

- Students will demonstrate respect for teachers and all school staff at all times.
- Students will be considerate of other students in attitudes, words, and actions.

- Profane or inappropriate language and obscene gestures will not be tolerated.
- The students will pay for any damage to school facilities or furniture that they incur.
- Students will do their own work.
- Students will comply with all classroom rules set by the teacher.
- No cell phones, smart watches or electronics are to be used during school hours.
- Students will be on time for school.
- Students will not leave the campus without permission from the school office.
- Students will not be allowed in a classroom before or after school unless prior approval has been granted.
- Horseplay will not be permissible in the school building, on the school grounds or while riding school vehicles.
- Skates or skateboards will not be allowed on school or church property.
- Students will not be involved with alcohol, drugs, or tobacco, on or off campus with the understanding that violation of this rule can result in suspension or permanent expulsion from GCS.
- Public Display of Affection (“PDA”) is not tolerated on school property, in the student’s vehicle or at any in-school or extra-curricular school function. (i.e. hugging, kissing, holding hands, etc. is not allowed)
- No student will have in his/her possession (on person, in desk, in vehicle, on campus, etc.) any kind of fireworks, explosives, knives or other weapons. These items will be confiscated in addition to further consequences.
- Because GCS takes a strong stand against ungodly music, musical themes and/or lyrics, anything that is deemed (by school administration) to fit into this category will not be allowed on school grounds or at any school-related events.
- Visible body piercing (except ear lobes for females) or tattoos are not allowed at school or school functions.

***All of the aforementioned offenses are reasons for various disciplinary measures (i.e. instruction, correction, rebuke, paddling, detention, suspension, or permanent student dismissal).**

Grievances

Should any parent have a grievance against any fellow parents, or any teachers, coaches, principals, superintendent and/or any other individual associated with either Gateway Christian School or Gateway Church International, he/she must follow the order of confrontation outlined in the Scriptures (Matthew 18:15-20). **Pray** about the grievance and ask the Holy Spirit for wisdom in how to deal with the matter at hand. **Arrange to meet** with the individual associated with the grievance (i.e. fellow parent, teacher, principal and/or superintendent) in person to discuss the matter openly and in a peaceable manner. He/She must come willing to listen, communicate peaceably, and willing to come to some kind of compromise. **He/She must NOT discuss the matter with outside persons (i.e. those who are not part of the problem or part of the solution).**

- **If an agreement/solution is not reached**, the parent may then bring the matter to the next level of authority (i.e. the immediate supervisor of the person with whom he/she is grieved). At this meeting, the “grieved party” will again come willing to listen, communicate peaceably, and willing to

come to some kind of compromise. **He/She will NOT discuss the matter with outside persons (i.e. those who are not part of the problem or part of the solution).** The parent and the higher authority figure will discuss what to do from this point on.

- ***If an agreement/solution is still not reached*** in this final meeting, the parent must then make a decision to either:
 - Withdraw his/her student from GCS; or
 - Submit peaceably to the authority figures at GCS. In this case, the parent/guardian will NOT discuss the grievance further, nor will he/she slander the persons involved (neither to outside persons or to his/her own children).

Expectations

Absence Policy

Students are allowed up to 10 days of absence per semester. Students will be allowed to make up work resulting from absences: in this case, the students will have the same number of days to make up their work as they were absent.

If a student arrives after 10:00 am, the student will be considered absent for ½ a day. If a student checks out before 1:30 pm, the student will be considered absent ½ a day.

If an absence is foreseeable, a note or call should be made in advance. If the absence is unexpected, the parent/guardian should call the elementary school office by 9:00 am that day to inform them of the student's situation/condition. When medical/dental/orthodontic appointments are necessary, parents should make appointments after school hours or at varying times so the student does not miss the same subject repeatedly. It is imperative that students are present for tests. It is the responsibility of the student to make arrangements to make up any missed work.

Should a student miss more than 10 days per semester, he/she may be retained. (Extended illness will be taken into consideration.) Final decision regarding retention will be determined by the administration.

Attendance

Regular and timely attendance is essential for maintaining a good academic record. Excessive tardiness and absences affect both the student's grades and attitude.

Daily Schedule

K-5	Monday through Friday	8:10-11:50
1st-6th	Monday through Thursday	8:10-3:00

Grades 1-6 will dismiss at 12:00 every Friday

Student Withdrawal

Withdrawal of a student from school requires an exit interview with the proper school official to discuss the reasons for withdrawal. If there is withdrawal after the first of the month, the parent will be responsible for the entire month's tuition. The scholastic records will not be transferred until the exit interview process is completed, the necessary forms are signed and all outstanding fees are paid.

Tardies

"Tardy" means that the student has arrived in a class after the scheduled start. Tardiness hinders the student's learning and interrupts both classmates and the teacher. It is a sign of irresponsibility and should not become habitual. Once the tardy bell rings, all students coming late must report to the school office to receive a tardy slip and a parent must personally sign in their child. Each teacher will keep a record of all tardies and absences. When a student has accumulated five tardies he/she will have to attend a lunch/recess detention.

Dress Code

The students' dress is to reflect MODESTY and is to identify the student with Christ, not with the world. Although the Bible does not say precisely what kind of clothes a Christian should wear, it does say to every generation that their appearance must be modest. Boys should dress masculine. Girls should dress feminine. Because student dress will affect the entire atmosphere of the school, (i.e. academic achievement, student attitude and student behavior), the following dress code has been established and will be adhered to by the student body of Gateway Christian School.

Health and Safety

Closed Campus

Parents are required to sign in/out their child at the front desk when arriving/leaving at a time other than normal arrival/dismissal times. For you and your child's safety, as well as for the protection of the school, only a parent or legal guardian may pick up your child. If different arrangements must be made, the parent/guardian must notify the school office prior to pick-up.

Crisis Management/Drills

A crisis management plan has been established in case of an emergency. Periodic drills are performed so students and staff are prepared.

Food Services

Hot Lunch

A hot lunch meeting all state nutritional requirements is prepared daily and is available for purchase.

Snack Bar

A snack bar is available to all GCS students. Each weekday has a unique menu. The snack bar also offers chips, Powerade, juice, bottled water, and milk each day.

Lunch Payment

Lunch may be paid for in advance on-line (ParentsWeb), at the office, or at the cafeteria.

Lunch Policy

If there are insufficient funds in the student's lunch account, he/she will be served a basic lunch with no extras and their account will be charged. An e-mail is auto-generated daily if a student has a negative balance in his/her account.

Illness Policy

Please do not bring your child to school if they are running a fever, vomiting, have diarrhea, or have a contagious illness. Your child should be free of symptoms for 24 hours before they return to school without fever reducing medicine. If your child becomes ill while in our care, we will call you and ask you to pick them up.

Immunizations

All students must submit verification of state-required immunizations before the first day of school (State Law).

Insurance

Primary coverage is the responsibility of the parents. The school provides a secondary insurance. More information is available through the school office.

Lost and Found

Lost items are collected in the front office. All unclaimed articles are given to the needy periodically.

Medications

Gateway Christian School is not allowed to administer any medications such as Tylenol, Pepto-Bismol, etc. If a child does take a prescription medication and will need to take this medication at school, the school must have a permission slip filled out by the parent (as well as a form filled out by the physician, if it is a long term medication). The medication must be sent in a prescription bottle with the dosage and the child's name on the bottle. The teacher will then keep a log of when medication is administered.

Phone Use

Students are not allowed to use the phone in the school office unless it is an emergency. Students must secure their teacher's permission before using the school phone.

School Closure or Delay

School Closure

The decision to close school due to weather will be announced on TV stations and also communicated via Parent Alert from FACTS.

Delayed Schedule

School begins at 10:15. No Kindergarten Classes Will Meet. Extended Day opens at 7:00 am. The dress code for delayed schedule days will be that of "Friday/Spirit Day" (see *Dress Code – Friday Dress*).

Traffic Flow

Drop-Off

To assist in the flow of traffic and safety of our students and drivers, all vehicles enter the campus at the north parking lot entrance and exit at the south parking lot. Speed limit is 10 mph and traffic flows in one direction. Drop off students at south end of the median, pulling all the way down to prevent back-up. Leave left lane free for traffic flow.

Parking

If a parent needs to get out of his/her car, he/she may park in either of the north parking lots near the church or school. Parents may not leave any unattended cars at the median.

Early Arrival

K-5 through 6th grade students will play on the playground from 7:30 until the bell rings at 8:10. They will then line up with their classes before entering the building. No student K-5 through 6th grade will enter the building before the 8:10 bell without prior approval from the teacher. No students may stay in the building without a doctor's note. In case of severe weather, other arrangements will be made. If a student must be dropped off before 7:30 AM, arrangements need to be made with the pre-school, which opens at 7:00 AM.

Late Pick-Up

Unless prior arrangements are made, students that are not picked up by parents 15 minutes after dismissal time will be sent to extended day. Parents will be asked to pay for the minimum hourly rate (see *Extended Day Program*).

Visitors/Volunteers

Anyone (parents and visitors) on campus who is not a student or part of the staff should check in through the office.

Volunteers and visitors on campus should adhere to the same guidelines as the students and faculty in regard to modest dress, no alcohol, drugs, or tobacco consumption or inappropriate public displays of affection.
